

Cougar Daily's "The Potty Mouth"

9/19/22 – 9/24/22

The Bathroom Sensation That's Sweeping the Nation

Hey there Coronado! Homecoming week is finally upon us and that means that a whole lot of stuff is going to be happening really, really fast, so hold on to your spurs and cowboy hats. With something happening practically every day, there's never a dull moment, and it is the perfect opportunity to get involved and to show some school spirit. We hope to see you at any and all things homecoming from the movie night on the baseball field (we're watching *Lightyear*), to the Powderpuff and Homecoming Football Games, and all the way to the dance on Saturday night. Be safe and have fun this week, cougars!

Homecoming Help

If you're anything like me, you may or may not have a date to homecoming. Now, whether you do or don't, whether you want one or not, *The Cougar Daily* has compiled a list of (school approved) pickup lines that are GUARANTEED to make you memorable at the very least. Keep in mind that "memorable" is subjective so be careful.

- Are you a parking ticket? Because you've got 'fine' written all over you.
- Just like the digits of pi, my admiration for you is never ending.
- Life without you is like an unsharpened pencil...dull and pointless.
- Did you invent the airplane? Because you seem just Wright for me.
- Are you my senior year? Because I'm glad I survived long enough to see you.
- Are you a magician? It's the strangest thing, but every time I look at you, everyone else disappears.
- Note: Use these wisely and don't harass people.
- Another Note: I know they're a little cheesy, but I hope they made you smile a little bit. And if not, I hope something else today does :)

Fun Things Happening in Your Hallways

- Have some free time in the morning on the 1st and 3rd Monday of the month? Thesians Society is for you! They meet at 8:30 a.m. in the green room for all things theater!
- Breaking News: Potty Mouth writer makes a typo, no one notices (hopefully).
- Not quite in the "fun" category, but I feel the need to remind you all to be in class on time. If you don't show up, you have 48 hours to be excused. If you're more than ten minutes late, be prepared to add an unexcused absence to the docket.
- More Breaking News: New reports find that the queen was alive mere hours prior to her death.
- Look both ways when crossing the street (please)
