

Cougar Daily's "The Potty Mouth"

11/14/22 – 11/19/22

The Bathroom Sensation That's Sweeping the Nation

I would like to be the first to officially welcome you all to one of the most controversial times of the year. No, it's not because of the elections, hang with me here while I explain. Imagine that one friend you have (and I know you have a friend like this, if you don't, it's probably you) that refuses to believe it's cold outside. It could be negative 16 degrees outside, and they will insist on saying that "it's really not that cold out." There's absolutely nothing wrong with it but enjoy having this same argument until roughly mid-April. In other news, now that *The Potty Mouth* has been returned to its rightful author, here's what we have on tap for you this week heading into Thanksgiving Break.

Turkey Day Tips

Next in line in our seemingly rapid-fire string of holidays is Thanksgiving. Whether you celebrate with turkey and family or with pretzels, jellybeans, popcorn, and friends, The Cougar Daily has you covered with some suggestions for making your 24th terrific.

- Tell people who don't like pumpkin pie that they're just wrong. Pumpkin pie is awesome.
- For those of you who are football fans, settle in to enjoy three very mediocre games simply because you feel like you have to.
- Try to remember that one distant family member's name. Who are they even related to? Where do they live? Are they a vampire? Who knows!
- Listen to What a Wonderful World by Louis Armstrong. No joke here, just a solid, feel-good song.
- Prepare to lose all faith in humanity as black Friday looms right round the corner...
- Take a moment and (as corny as it may sound) consciously think of what you're grateful for. It's always good to remind yourself of the positives. You don't even have to tell someone, just think about it :)

Fun Things Happening in Your Hallways

- Harvest of Love is still happening, keep bringing food into your 2nd and 6th hour classes.
- Breaking News: Putting marshmallows on sweet potatoes was originally culinary propaganda put out by Angelus Marshmallows in 1917 in order to sell more marshmallows. It's officially time to rebel. (it's true look it up).
- Round of applause for theater! A Christmas Carol was a huge success this past week!
- Chick-Fil-A fundraiser for Interact Club on Wednesday starting at 7:00.
- Breaking News: it is perfectly acceptable to use your turn signal...I promise no one will judge you for it.
- On the off chance that no one has told you lately, you got this and I'm proud of you.

- There's still not much happening in the way of sports because the winter season is just now starting. - So, enjoy another week of a calendar full of my random rants and thoughts.	- I feel like we know each other well enough that I can be honest with you here. - This is a tough job. - I mean, being THIS funny week after week!? - It takes a toll on you. - And throw in an incompetent co-editor... - It's a tall order.	- I'm glad I could get that off my chest... thanks for listening, it means a lot. - It's only Wednesday and I'm running out of things to say. - Should I try a joke Again? - It didn't go well last time if I remember correctly.	- Okay, okay here we go. - Why can't you explain puns to kleptomaniacs? - Because they take everything literally!	- Yeah, I cringed too, I'm sorry. - That was pretty rough, I'll own it. - Tell you what, let's just pretend it never happened. - Repeat after me: - What joke? I didn't hear a joke. - Very good!	- Competitions will be starting the week we get back from break, so this is probably the last time for a while that we can do this. - Just know I've enjoyed it. - You guys are pretty great, so thank you for tolerating this ridiculousness.
