2/6/23 – 2/11/23

The Bathroom Sensation That's Sweeping the Nation

Hey there Coronado! The sun is shining again, spring is (almost) in the air, and your favorite correspondent is back with another issue of ~~DI~~'s America's favorite bathroom newsletter. Granted, I don't know how many other bathroom newsletters there are out there, but saying it like that makes me feel good about myself. With winter sports rapidly coming to a close and spring sports getting ready to kickoff, now is a good time to consider signing up for something new. There's always something to do after school, and one of the best ways to put yourself out there is to join a new sport! Track Maybe?

Some Things You Should Probably Know

Like me, many of you are going away next year to live on your own, but even if you aren't, there are some skills that everyone (regardless of grade) needs to cultivate to function in the future. Here's a short list of some life essentials to start practicing now so that you don't regret not knowing them later.

- How to change a tire. Many of you know how to or have done it before, but the very last thing you want is to be stuck with no idea what to do.
- Cooking. It doesn't have to be anything fancy but at some point, you will be making food for yourself. Just have some good recipes in your back pocket for when that time comes.
- How to build a good resume. There are a lot of online and in school resources (counselors), so get one started if you haven't already.
- How to set up a budget. As you get older, money management will become more and more crucial.
- Basic sewing skills. You don't need to be a pro, but if you rip your pants or lose a button, it's good to know how to fix it.
- How to unclog a toilet or sink. This one requires no explanation. But seriously it's an important one.

Fun Things Happening in Your Hallways

- Seniors! **NEXT MONDAY, THE 13th** before school in the gym is when the rescheduled senior picture will take place.
- Congratulations to the girls basketball team for their defeat of Harrison High School last Friday!
- Breaking News: Birthday clowns everywhere living in fear of what might happen if the US government finds out about their balloons.
- There's a dance on Saturday! Don't worry about formal clothing just have fun! Tickets are \$5 ahead of time and \$10 at the door.
- Advanced Acting placed second at The Pike's Peak Regional One Act Competition! Nice job everyone!
- Hot Take of the Day: Eating cereal with milk effectively ruins it. There, I said it. Feel free to be upset now.
- Go check out what your classmates are writing on *The Cougar Daily* by scanning the QR code.
