4/3/23 - 4/8/23

The Bathroom Sensation That's Sweeping the Nation

Hey there Cougars! I hope you all had a really amazing spring break in spite of the wind. If you did in fact manage to not get blown away over the past week, allow me to be the first to officially welcome you back to the (now purple in some cases) Coronado bathrooms. It's the home stretch of the school year and many of you are finding yourselves struggling with what we seniors have been dealing with for the past year. Congratulations and welcome to the wonderful world of senioritis! If this sounds like you, I have to fulfill my moral and legal duty by telling you to not let yourself get swept up in the end of the year. The finish line is right there, Cougars! Don't stop right before you get there!

Fun Springtime Activities for Fun People

It's spring, which means all those things you wanted to do during the winter are now possible on about 50% of the days! Don't have any ideas for what to do? No worries, we here at *The Cougar Daily* have you covered.

- Go for a hike but not a long one because chances are the temperature when you finish will be the exact opposite as when you started.
- Trick yourself into thinking it's warm enough to wash your car. It isn't.
- Chase after something that's blowing away in the wind. It's great cardio, I promise.
- Frolic in a field and get completely covered in dead grass. Ever had hay fever? Now is your chance!
- Wear shorts when it's too cold and tell everyone that "it's actually not that cold outside."
- Stay inside. The world can't get you if it can't see you.
- Complain about the weather in your school's bathroom newsletter even though you're happy it's warm outside.

Fun Things Happening in Your Hallways

- The Robotics Team competed at the Regional Competition in Denver and came in third overall. Congratulations on an incredible season!
- SAT and PSAT Testing next week!
- Breaking News: Musician who used to play by ear discovers that it's actually much easier to play with his hands.
- We just got back from break - try to keep the bathrooms nice for at least a week.
- Breaking News: Soap addict finally gets clean.
- Senior Assassin has officially started! For anyone who doesn't know, ask anyone who is wearing swim goggles/floaties for seemingly no reason.
- Dad Joke of the Day: Why does Snoop Dogg always carry an umbrella? Fo'drizzle. (DISCLAIMER: I didn't write this, I'm just fulfilling a request, please don't be mad at me)
