The Bathroom Sensation That's Sweeping the Nation

Welcome back from Fall Break! We hope you are ready for this next, activity-filled section of the semester leading up to Thanksgiving Break. We have Drive Smart, Conferences, Harvest of Love, Halloween, and Winter Sports starting, so it is bound to be an interesting month!

Coronado Boys Cross Country Team on a Dominant Run, Eyes State Championship

The Coronado High School boys cross country team is having a season to remember. With victories at the CSML South League Meet, Pueblo Central Invitational, Cougar Classic, and Cherry Creek Invitational, the Cougars have firmly established themselves as the top team in the state, entering the final stretch of the season ranked #1 in Class 4A.

At the recent CSML South League Meet, the Cougars put on a show of both strength and depth, sweeping the top five spots. Leading the way was sophomore Braxton Oliver, who crossed the finish line first with a time of 16:48, closely followed by senior Ryan Slater with the same time. Not far behind, sophomore Oliver Horton and senior Boston Potts finished third and fourth, both clocking 16:49, while senior Parker Davidson rounded out the top five. The girls also showed up in a dominant fashion, winning their first league championship since 2017, with sophomore Olivia White winning the meet with a time of 20:16.

With their eyes set on the State Championship Meet on Saturday, November 2nd, at Norris Penrose Events Center in Colorado Springs, the team is poised for a strong finish. The boys' race will begin at 9:00 a.m., with the girls' race following at 10:20 a.m.

With an impressive blend of senior leadership and underclassmen talent, the Cougars are a force to be reckoned with as they aim to capture the state title. As they prepare for the final test of the season, Coronado's boys cross country team is ready to leave it all on the course and finish their storybook season on the highest note possible.

Annual 'Harvest of Love' to Support Local Families in Need

The Coronado High School Student Council and Cougars Care are once again joining forces for their annual fall humanitarian campaign, **Harvest of Love**, a vital effort aimed at helping families in need during the holiday season.

This year's drive will officially begin with a soft start on Monday, October 28, followed by a full launch on Monday, November 4.

As the holiday season approaches, **Harvest of Love** serves as a reminder of the power of giving, and how a collective effort can make a big difference in the lives of others. Whether it's by donating food, contributing money, or simply spreading the word, everyone at Coronado has the chance to be part of this impactful event.
