

## The Bathroom Sensation That's Sweeping the Nation

Hey Cougars! Welcome to the 2025-26 school year! If you don't already know, this is *Cougar Daily's* "The Potty Mouth." We are here for your entertainment while you do... whatever you do in here. Also, check out what is happening at Coronado this week. If I were you, I would definitely show up to some of those events and games!

### Recent Accident Opens Eyes for Safe

#### Driving

According to FOX 21, there was an accident near the Hancock expressway on Tuesday, August 19th. When Colorado Springs police arrived, they found two small children were hit by a Jeep. Colorado Springs police found the children on the crosswalk outside of Milton E Proby Parkway.

According to police, no drugs or alcohol were considered to be involved in the accident, but both of the children were injured. Neither of the children were identified for the public, and there is no further information. Hancock was closed for the accident but reopened quickly.

This incident truly opens many eyes to the problems of unsafe driving. If you are driving in the Coronado parking lot, please keep your speed at 5-10 mph. It is extremely important to keep your eyes on the road at all times, and watch for any and all pedestrians.

### Fall Sports Scores

Boys Golf: Placed 12th at the Cheyenne Mountain Invitational, and shoutout to Miles McClinton who placed 17th overall!

Girls Softball: Beat Doherty 13-12

### Hallway Etiquette

Welcome to high school! Some have been here for a few years, yet continue to abuse the unspoken hallway rules. Don't worry, here's how to properly move through the hallways of Coronado...

1. Go with the flow of traffic. Do not stop in the middle of the halls. If necessary, pull over to a corridor or bathroom to re-adjust. If neither of these things are nearby, then simply move to a wall on the correct side of traffic. We are in the U.S., so yes we will **STAY TO THE RIGHT SIDE!**
2. Use both doors! Many will be "lazy" and use one door at a time. Both are operating and in good maintenance, so please use both doors for TWO sides of flowing traffic.
3. NO PDA! Please respect the eyes of everyone, especially teachers and peers. This must not be talked about enough because there should be NO PDA in Coronado High School. This is a place of study and respect, not smooching and hooching!

**Keep it professional, and go Cougars!**

### Upcoming Events

Thursday 8/21	Friday 8/22	Saturday 8/23	Monday 8/25	Tuesday 8/26	Wednesday 8/27
