The Bathroom Sensation That's Sweeping the Nation

We are only three weeks into school, and we already have our first three day weekend! Labor Day is coming up, and there is a hot air balloon liftoff at 7am on Saturday, Sunday, and Monday at Memorial Park! Go watch the balloons fly, and enjoy your day off Cougars!

Hurricane Season Begins!

Hurricane Erin has marked the start of a very early and unpredictable hurricane season.

Hurricane Erin started as a tropical storm with winds of 75 mph. According to News19 out of Colombia, South Carolina, Hurricane Erin's winds have since reached upwards of 160 mph.

Hurricane Erin was 200 miles off the shore of North Carolina and there were still dozens of reports of coastal flooding, riptides, and storm surge. The hurricane went up the East Coast from Florida to New York.

This Hurricane season is set to be quite unpredictable, so make sure to grab your boots and raincoats.
