The Bathroom Sensation That's Sweeping the Nation

Hello, my sweet Cougars. We're cruising through the week before Labor Day weekend, which means a short break is almost here (hang in there!) Take it easy, pace yourself, and remember—sometimes the best way to get through a busy week is with a little sweet treat and a lot of Cougar pride. Here is the news for the week!

Girls Flag Football

With the start of a new school year, there is also the start of fall sports. This is the third year of the Coronado girls flag football team, and with a new coaching staff, the girls are ready to make a name for themselves!

The girls have had two games so far against Fountain Fort Carson and The Vanguard School. With the help of the coaches, the girls were able to learn from their first game and took home their first win Tuesday night against Vanguard!

Tiahna Kopera, senior on the girls flag football team stated, "We still have a lot of work to do but we were able to apply what we've learned to take home our first win."

The girls are looking forward to continuing their season learning the game and further improving for the long season ahead of them.

Fall Sports Scores

- Girls Flag Football beat Vanguard 18-6
- Boys Tennis got 9th at the Kadet Kickoff
- Girls Softball lost 2-17 to
- Girls volleyball lost to Air Academy 3-0

Dairy Queen is Back?!

Did you miss Dairy Queen? Well now it's back! Now newly reopened, you will be able to get your well deserved banana split at the Dairy Queen on Fillmore.

Did you know according to New York Dairy, DQ was founded in the 1940s within Joliet, Illinois. It started off as just a place to buy ice cream, but over time it turned into a fast food place where family members could enjoy a nice meal and a Blizzard as dessert.

Thankfully, we can continue to enjoy the legacy of this phenomenal fast food restaurant.
