

Cougar Daily's "The Potty Mouth" 8/28-9/3

The Bathroom Sensation That's Sweeping the Nation

Hey Cougars, welcome back to another "Potty Mouth." Ready for the three day weekend? This week, we're explaining the D11 budget cuts, but also celebrating the grand opening of the Corner Market. No matter what is going on in the world, there is always something positive to look for.

D11 Budget Cut Result of Federal Cuts

D11 cuts their budget affecting federal funding in schools. This cut was a result of the Federal Funding Freeze, which refers to President Trump's 2025 directive to temporarily pause all Federal financial assistance, and Statewide budget constraints.

Colorado lawmakers finished the state's budget for 2025-2026 with \$16 million less for K-12 education than planned because of a \$1.2 billion state spending shortfall, according to KOAA news.

This budget cut affects programs for low income families, ESL learning, professional development for educators, as well as cutting scholarship opportunities for low income families.

Fall Sports Scores

- Girls Softball lost to Vista Ridge 17-2
- Girls Flag Football won to Vanguard 18-6
- Boys Tennis place 9th at Cadet Kickoff

Corner Market Grand Opening!

The Coronado Corner Market is now open! It is a student resource center that provides school supplies, clothing, food, and hygiene products for anyone in need.

This wonderful resource is provided by Cougars Care, which is now under the supervision of Mr. Ziser, an AP government and history teacher. The torch of Cougars Care was passed to Mr. Ziser by Mr. Urban. He is taking on new responsibilities after 20 years of building the program himself, and running it with the help of a group of dedicated students.

The Corner Market is located in room 160, next to Mr. Ziser's new classroom. Anyone is welcome, and each visit can be both subtle and helpful!

So, if you're in need of an extra pencil, a snack, or a sweet new shirt, stop by!
