

The Bathroom Sensation That's Sweeping the Nation

This week, your favorite bathroom newsletter will be taking a deep dive into Boys Cross Country's huge accomplishment over this past weekend, along with an individual shout-out to Oliver Horton. We're really hoping you'll enjoy these articles!

Cross Country: State Champions at Last!

Over the past four years, the boys' cross-country team finished fifth, then fourth, then third, then, last year, 2nd at state. This year, they moved up to the final place, taking first, winning it all at the 2025 Colorado CHSAA 4A State Championship. This marks Coronado's second state cross-country team title and first since 2013.

Class of 2026 runners, Isaac Sanchez, John Stanczak, and Xzavier Campos helped pave the way with Xzavier placing 3rd with a 15:36 time, John placing 11th with a 16:00 time, and Isaac placing 25th clocking a 16:32 time. **Class of 2027 runners, Oliver Horton and Oliver**

Braxton, took 1st (14:48) and 14th (16:07), respectively. Each of their place finishes was totaled for a team total of 53 points, finishing ahead of Summit High School with 71 points.

Keep in mind, the course is considered pretty challenging because it stretches to 3.1 miles (equates to a 5k); it's never flat with a mix of downhill sections and gradual uphill climbs.

Be sure to congratulate these athletes on their accomplishments; it takes a lot of teamwork, physical and mental fortitude to dominate the way they did this weekend.

Fall Sports Scores

- Girls Volleyball beat Woodland Park 3-1
- Boys Soccer lost to Golden 1-4
- Football beat Pueblo East 24-21
- Cross Country: Boys placed 1st in state
- Cross Country: Girls placed 8th in state

Greatness Among Us

A huge round of applause is in order for **Class of 2027 runner, Oliver Horton**, after his performance at state over the weekend. Oliver shattered the 4A state cross country course record at the Norris Penrose Event Center, finishing with an incredible 14:48, becoming the first Colorado High School athlete ever to go under 15 minutes at the state tournament on that difficult course.

His race strategy and strong determination set the pace from early on, ultimately helping his team win a state title. Oliver's dedication to the sport is clear: after placing third last year, he trained and honed his talent, and the payoff was incredible.

He additionally finishes the season with the 4th fastest high school time in the nation (2nd fastest for juniors), with a 14:23, run at the Desert Twilight Meet earlier this season.

If you see him in the hallway, be sure to tell him congratulations on the massive achievement of becoming the 4A state champion of Colorado.
