The Bathroom Sensation That's Sweeping the Nation

Hey Cougars! This week we're highlighting Cougars Cares Clothing Exchange. Along with D11's Hockey team advancing in the 2026 CHSAA Ice Hockey Playoffs, let's check it out!

Cougars Care Clothing Exchange!

Do you have extra clothes in your closet that you'd like to donate while helping others? If so, stop by the front office or room 111 to support Cougars Care in making this a successful and beneficial event.

The clothing exchange will be held in the Auditorium on Monday, March 2nd, from 7:35 a.m. to 3:10 p.m. Whether you have enough money to afford clothing on your own or truly are in need. Don't hesitate to find something that may turn into your favorite clothing item.

The Clothing Exchange has a heavy impact on the Coronado Community; Social Studies/Cougars Care Leader Jeffery Ziser said, "[He] hopes students use this as an opportunity to think about their household as well as a chance to really serve the broader community."

Every donation shared will make a significant difference.

FCCLA Looks to Expand Its Numbers

By Guest Author Kallea Cote

Have you ever heard of FCCLA and didn't know what it was? Well, you learn something new every day and today that's going to be FCCLA!

To start, FCCLA itself stands for Family, Career, Community leaders of America, which are the pillars of the organization. They build off these in what is the most fun part of FCCLA, STAR Events (Students Taking Action with Recognition). These are competitive events that you get to pick from to compete against other high schools at the state level and other states at the national level. This is an experience to build one's communication, planning, and leadership skills. You can also do your STAR Event with a buddy or two, so grab a friend and put a bug in their ear about FCCLA. Some examples of STAR events are Fashion, Culinary, teaching, etc.

Also you get to travel as the FCCLA state leadership conference is held in Denver for three days long, then if you place top two in your respective STAR Event you qualify for nationals, which is a

week long trip to somewhere new each year like this year in Washington DC!

If you feel like you have too much on your plate and can't do it right now, that's totally fine! You can get started sooner rather than later by looking now, working on it over the summer and be done before next April. This isn't like any other school project; it's about helping you prepare for your future. If that involves becoming a teacher, a chef, or even if it just helps improve the skills needed for the workforce entirely, FCCLA is there to help. So Go for the Red today and join FCCLA!

Talk to Ms. Gay OR Ms. Mooney if you have any questions! (Room 406 & Room 405)
