

Cougar Daily's "The Potty Mouth" 4/23- 4/29

The Bathroom Sensation That's Sweeping the Nation

Hey Cougars! This week we're highlighting Track and Field and a reminder that the Senior Meeting is coming up soon!

Track & Field: Off State Lines

The Cougars took their talents across the state lines last weekend for the RunningLane Kansas City Meet on April 17th-18th in Blue Springs, Missouri. Competing against some of the best Midwest talent, Coronado's athletes did not disappoint, showing they can hold their own.

Class of 2026, Lyrik Smith, led the charge achieving a bronze finish in the High Jump event. Smith cleared a massive 6'4," securing 3rd place out of 21 elite jumpers. Reflecting on the trip, Smith stated, "I feel like it was a really good experience for everyone who has the chance to go and get a different look at competition outside of just Colorado."

The team's success is based on a focused mindset of growth; the coaches live it and preach it on the field. When asked about his vision for the season, **Coach Huber** emphasized that "To get better each week, [we] keep it positive and strive to do better each and every week."

With several personal bests recorded in Missouri, the Cougars are on the right track to achieve the ultimate goal, moving on to the State meet..

Spring Sports Scores

- Boys Baseball lost to Widefield 11-2
- Girls Soccer tied with Widefield 1-1
- Track & Field placed 14th of 15 in the All City League Meet
- Boys Volleyball lost to Rampart 0-3

Seniors' next step: Cap and Gown

SENIORS: On Monday, April 27th, during Future Ready, all seniors will meet in the auditorium for another important graduation meeting. Assistant Principal, Mr. Baldwin, will go over key graduation guidelines so everyone is crystal clear on what's expected before graduation. This includes rules, deadlines, and a final reminder.

This meeting is extremely important to attend. If you plan to walk at graduation, you **NEED** this information. As a reminder, students with a 3.75 GPA based on grades through the first semester of senior year will be recognized with a gold cap and gown as opposed to the traditional red.

Jostens will automatically give students the correct color cap and gown if they have ordered one at the end of the meeting. You must be present to pick yours up, so please don't leave early.

Graduation is getting close, and this is one step closer to the big day!
